Dear Parent/Carer,

We are delighted to share the news that our school has been selected to take part in a Hospitality Careers Event “Hospitality, Food & Tourism Takeover Day” funded by both Gannochy Trust and Developing Young Workforce (DYW) Tayside and organised by Springboard UK.

As the Hospitality, Food and Tourism industries have some of the most flourishing job sectors locally, the school sees this as an important opportunity to introduce our young people to what these industries have to offer.

This day will consist of interactive workshops, delivered by experts within the field and will include activities such as taste challenges, customer service, mocktail making, tourism on your doorstep as well as practical cookery with top chefs. Companies involved will include Hilton, Old Course Hotel, Loch Leven’s Larder, CH & Co. and Perth College. All of these workshops are designed to give our young people a real-life insight into potential career opportunities and pathways to working in the sector.

For children in 2A, 2B and 2C, the event will take place in the school on Tuesday 13 September and for this day will replace the timetable for the whole day.

For children in 2D, 2E and 2F, the event will take place in the school on Tuesday 20 September and for this day will replace the timetable for the whole day.

The school hopes that you are as excited about this opportunity for your child as we are and appreciates your support in encouraging your child to get involved on the day.

Kind regards,

A handwritten signature in black ink that reads 'ABaxby'.
