## WORLD CHALLENGE BORNEO 2021

S3 and S4 parents are invited to attend World Challenge Borneo 202l Launch Evening to hear about our new and empowering form of experiential learning that's set to take place in Borneo in 202l.

"The best decision I've ever made, it taught me to take control of my own life." - Remy Monaghan, Student

We're proud to be partnering with World Challenge to bring this unique experience that will complement school learning, giving our students the opportunity to become true life-learners and global citizens.
