Dear Pupil

### **Learning at home - Stage 2**

During your period of self-isolation it is important that you maintain progress with your learning. Kinross High School staff will do this using Google Classroom. You can access your Google Classroom using your glow username and password using the following web address: <https://sts.platform.rmunify.com/account/signin/glow>. Should you have difficulties in logging into glow, please contact the school office who can reset your password. If you have difficulty accessing the internet or using a digital device, please contact the school office and we can make arrangements for you to borrow a device for the duration of your self-isolation.

Your teachers will upload the learning materials that the rest of your class will be undertaking. This will ensure you are learning the same materials as your peers. In order to support your routines, it would be beneficial for you to follow your normal week A and B timetables. In addition, your PT Pupil Support will be available for a check in via your PSE Google Classroom and you can check-in there to support your wellbeing.

If you have any questions that arise, please contact the school office or your House Pupil Support Team.

Kind regards

**Mr J Bain**

Depute Headteacher Head of Lomond House)
