Self-evaluation

How well does our curriculum model meet the needs of our school community?

Curriculum 2027

Curriculum changes so far...

- ✓ Replaced S4 study with **Mental Health and Wellbeing qualification**
- ✓ Introduced S5 **Employability qualification** in place of S5 study and PSE
- ✓ Prioritised **S4 into S5 learner pathways** to maximise the number of Higher or SCQF level 6 qualifications
- ✓ Introduced **Foundation Apprenticeship** in Scientific Technologies (in partnership with Dundee University)
- ✓ Widened and refined **learner pathways** in S5 and S6
- ✓ Introduced **dual qualifications** in Maths and Sports Leadership following sector leading practice in Modern Languages
- ✓ Introduced **Skills for Work** dual qualifications to support learners with their transitions
- ✓ Introduced to the **S4 Curriculum** Practical Woodworking to support learners as an exit qualification
- ✓ Introduced **additionality** to deliver Customer Service Award and First Aid Award to attainment at risk learners

Curriculum 2027

Why change?

National	PKC	School

Curriculum 2027

Proposals for discussion

1. Young people will study 7 or 8 qualifications in S3 and S4 over 2 years
2. Young people in S5 and S6 will choose 6 qualifications and study them for 5 periods per week
3. Learner pathways will be maximised across S4, S5 and S6 to support courses to run at National 5 and Higher level
4. Expand the opportunities for S4-6 to experience wider achievement qualifications
